・Important is to clarify who shall be the main applicant.

・At the pitch competition, not only the proposals, but also the person and eagerness of the main applicant shall be asked.

【Note1】Joint applications with students from other universities are not prohibited, but the representative student must belong to Tokyo Tech. If you need more space, you may make a copy of the table above and add more space.

【Note2】To be filled in if the applicant belongs to a laboratory.

提案タイトル Title of Proposal　（Within 50 words）
An impactful title is desired, e.g. "Make ☆☆ into 〇〇", "Change the world of □□ by ●●"

提案の要旨 Abstract（Within 160 words）

Simply describe what you want to do to what kind of people and why.
Something exciting and interesting shall be involved in it.

支援により実施したいことの概要　What you would like to do with this program?（Within 80 words）

Describe what you want to do with the support of this program as concretely as possible.
Describe what you want to verify, whom you want to target with your ideas.

【note】Use the font "MSゴシック", 10.5 points, a single line interval. Input everything up to here within one page.

| 1．課題への具体的な取り組み方法（独創的な部分を中心に） |
| What are your approach and method to solve the issue(s)? Why are they novel and unique? |

Describe your concrete approach to the issue; what is novel, what is unique in your approach.

| 2．現在までの取り組み状況 |
| Your efforts to date |

Describe what you have been tackling and achieved so far as concretely as possible.

Not only your success stories, but also failed trials to better understand what and how you have done so far.

| 3．事業化に向けた道筋 |
| How would you realize the business after the activity with this program? |

Describe how you plan to commercialize your business idea after getting the support of this program.

| 4．応募の動機（個人として） |
| What is your personal motivation to apply for this program? |

Describe why you want to propose this business idea, how you want to be through this idea, and why it should be YOU who proposes this idea.

【note】No.1-4 should be input within one page.

５．提案の詳細（図・表・写真・面接審査用資料のいずれかを２枚まで枠内に添付することも可）

Detailed description of your proposal (You may use presentation slides, photos, pictures, graphs. Within two pieces in the following space)

Freely describe the details of your proposal.　Well appeal to the jury.

【note】No.5 should be input within one page.

６．東工大基金からの支援によって実施したい内容と期待される効果
Expected outcomes of the activity with this program

Describe what shall be verified and achieved with this supporting program and expected effects.

７．支出計画【注 3】 Proposed Budget

Write down really necessary expenses only. Not necessarily pile up till 1 mil. JPY.
